THE ASSEMBLY OF ARMENIANS OF WESTERN ARMENIA

SEVERAL OBJECTIVES – ONE APPROACH

*THE ARMENIANS OF WESTERN ARMENIA
WE NEED*

<http://westernarmeniatv.com/>

THE ACTION

AAAO and HAY DJAMPA operates in 4 major fields:

Emergency action during the last decades, after the earthquake and the war, field hospitals received hundreds of injured and shell-shocked people every day. AAAO and Hay Djampa made every effort to help the victims of natural disasters and war, by providing the medical structures with emergency medications.

Housing and Nutrition

Since 1994, Hay Djampa has been carrying out rehabilitation programmes in Upper-Karabagh (Artsakh) villages, including farming activities intended for local populations, the programme is called "OJANTAG".

Health

As from 1991, medical structures such as hospitals, community clinics or health centres could operate thanks to a permanent supply of first-aid products and equipment and to the assistance of doctors for training and medical care management.

Training

Education and Sport As from 1989, hundreds of children and teens could benefit by free training, through athletic or cultural activities in schools and other adequate structures.

Law

AAAO is an NGO in partnership with the National Council of Western Armenia involved in protecting the rights of indigenous peoples to the United Nations and the European Court of Human Rights (Destruction of sacred site Djughha or Destruction of Armenian medieval capital of Ani ...).

WHICH OBJECTIVES FOR TOMORROW?

To summarize, here are the main objectives adopted by the National Council of Western Armenia, of which Hay Djampa takes note:

Improving the precarious condition of the families living in the most distant areas of Western Armenia, Djavakhk and Artsakh ;

- Implementing training structures accessible to everyone ;
- Protecting the health of children and continuing the struggle against malnutrition ;

Enabling everyone to discover and appreciate differently Western Armenia, Djavakhk and Artsakh regions by creating links with the outside world;

Thanks to its partners and members,

Hay Djampa is a dynamic element in the process of sustainable development of the Armenians.
